My dear Chico,

Herewith contents of envelope Edith gave me to dispatch to either José M or to you.

I'm posted the others to J.M.R.H c/o U.N.S.W faculty of Laws.

1. Please drop me a letter immediately to my Caulfield address on receipt of this & let me know how many days it took to reach you.

2. Also kindly cut out the Stamps with the entire postmark & send them to me.

3. R.H now owes me the postage for both parcels!!
In Diu where I spent about 8 days, I stayed with Edith at Villa M. & left the next day after Artemio left for Wetar.

Best regards — you can reply in Portuguese or English — makes no difference.

Sincerely
Tony

PS. I was checked at the Customs & discussed bank notes & coins only, as I carried some as a collector!!
